

Words of Wisdom

THE NEWSLETTER OF LORETTO ELEMENTARY PTA

Volume 28, Issue 21
January 31, 2014

CHRISTOPHER BEGLEY
PRINCIPAL

THERESA ROGERS
PTA PRESIDENT

Welcome Mr. Miller, Goodbye Ms. Derby

We hope that this letter finds you and your family blessed and well. There are many positive things happening at Loretto Elementary and we as administration, faculty and staff are very blessed to be a part of your student's life. Sometimes the beginning of a new calendar year brings unexpected changes. This is the case for Loretto Elementary's Administration.

We would like to inform you that as of today, Ms. Derby has accepted a transfer to West Jacksonville Elementary. Ms. Derby's previous principal was moved to a school where she needed help in bringing the school from an F to an A. Ms. Derby had previously worked with this principal and had done just that; so she was called on again for her help. We appreciate all of the work and love that Ms. Derby has put into Loretto. We will miss her and will always wish her well on this new endeavor.

Beginning February 3, Mr. John Miller will take over for Ms. Derby. Mr. Miller graduated from Claflin University in South Carolina with a degree in biology and a minor in chemistry. He earned his Master's Degree from Armstrong Atlantic State University in Georgia and is currently working on his PhD in Educational Leadership from Capella University. He has experience in many grade levels. He has taught 5th grade science along with many other grade level science courses. He has been a guidance counselor and a dean of students. One of Mr. Miller's strengths is working with students and families as well as instructional integration of technology. He should quickly become a beloved member of the Loretto family as his personality is outgoing and energetic.

Our first and most important objective is to make sure that your child knows of the change ahead of time so they can discuss it openly before school resumes Monday. With your help, we want our Loretto children to realize that change happens sometimes in the career of adults and that change may not be driven by anything they have done or not done. In other words, Ms. Derby

Parking Lot Safety

Please observe all traffic signs and rules when driving on and around campus. Children are NEVER to be dropped off anywhere other than the designated drop off circles. Please remember that the driveway that encircles the school is a "No Cell Phone" zone and that the speed limit on campus is an extra slow 5 mph. Thanks for helping keep our children safe!

Make a resolution to
not talk or text and
drive when you drop
off or pick up at
Loretto!!

SPIRIT DAY next Friday, February 4th. Wear
Blue or Yellow or your Loretto shirt!!

is not leaving because of anything the children have done. Ms. Derby loves your children and so will Mr. Miller. Another objective of this letter is to ask that you make an effort to make Mr. Miller feel welcome and supported only as Loretto parents can do. I know you will give him a warm and receptive welcome.

Please feel free to contact Mr. Miller at millerjrj.duvalschools.org to encourage him in the task of taking over his mid-year responsibilities. I am sure he would welcome your support. Mr. Miller's first day will be Monday, February 3rd.

Accreditation

As promised, we are sharing more information about accreditation with you and all of our stakeholders. In January, we provided information about Standards 1 and 2.

Duval County Public Schools are going through the accreditation process this year. You might be familiar with the previous SACS Accreditations. In a technological age, SACS is using AdvancED as their portal. Last year, there were surveys that you might have filled out asking questions about the school. The students and faculty were also asked to fill out surveys. All stakeholders are an integral part of the ongoing continuous improvement process. This year we are in the process of self-assessment on five standards for "quality practice and conditions that research and best practice indicate are necessary for schools to achieve quality student performance results and organizational effectiveness. The indicators are operational definitions or descriptions of exemplary practices and process. When seen together, the indicators provide a comprehensive picture of each standard."

"Each indicator provides four performance levels that describe varying degrees to which a school is able to verify its assessment of the question." We use the performance levels as an opportunity to ask the "stakeholders challenging questions and respond with accurate answers geared toward improvement of our school."

Standard 3 is on Teaching and Assessing for Learning. We believe we have achieved a level 4 because we provide research-based curriculum and instructional methods with clear and measureable expectations for student learning that provides opportunities for all students to acquire requisite knowledge, skills, and attitudes. Teachers use proven instructional practices that actively engage students in the learning process. Teachers provide opportunities for students to apply their knowledge and skills to real world situations. Teachers give students feedback to improve their performance.

Standard 4 is on Resources and Support Services. We believe we have achieved a level 4 because we have the resources and services necessary to support its vision and purpose and to ensure achievement for all students. We have sufficient human, material, and fiscal resources to implement a curriculum that enables students to achieve expectations for student learning, to meet special needs, and to comply with applicable regulations. The school employs and allocates staff that are well qualified for their assignments. The school provides ongoing learning opportunities for all staff to improve their effectiveness. The school ensures compliance with applicable local, state, and federal regulations.

Thank you for being a part of the success of our school and being a part of the process of continuing our accreditation. If you have any questions, please feel free to email any member of the administrative team.

FCAT is approaching...

FCAT time is right around the corner!!!

We wanted to remind you that testing will be:

- February 25th -26th for 4th grade FCAT Writing and
- April 22nd - May 7th for FCAT Reading, Math and Science for 3rd- 5th grade.

Please make sure that your schedule is clear of any appointments or family trips, so that your child will be able to complete their tests in a timely fashion.

Even if your child is in a non-testing grade they will not be able to join their class or be dismissed early as we are under testing conditions school-wide.

Parent volunteers/visitors are welcome after 11:30 am each testing day.

Testing will begin promptly at 9:00 am and continue through the morning.

SPRING PICTURES

Spring pictures will be taken on Thursday, Feb. 27. Beginning this year a new procedure will be in place for "spring" pictures. Only students who **"Prepay"** for pictures and send in their money **before 2/27 will be photographed.** Along with individual pictures being prepaid, the student's **class group picture will be prepaid.** Leonard's studio will only produce enough class pictures as ordered. If anyone can volunteer and help with "Spring" pictures, please call 260-5800 - ext. 2101 and ask for Marti.

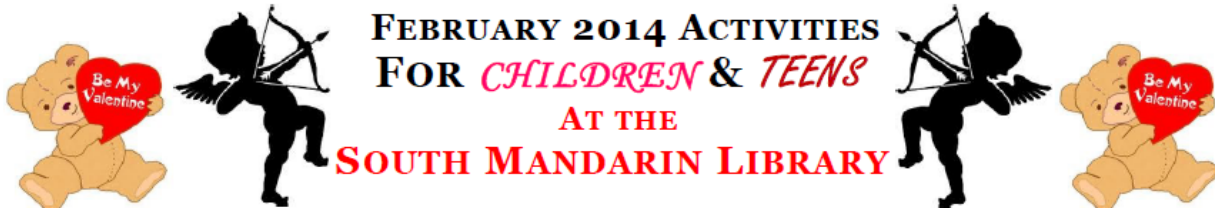

Music Notes

Congratulations to the following Loretto 4th grade young ladies selected to the prestigious First Coast Elementary Honor Choir: Emma M., Michaela S., Rachel S., and Alexis G. We wish them a wonderful performance on February 1st!

Thank you for representing our fine school so well.

The Jacksonville Symphony Guild graciously awarded our school not one but three \$500 Grants for new instruments including an African djembe, a cajon from Mexico, a set of bass Joia tubes, and four Caribbean steel drums.

Thank you Symphony Guild!"

***Minimum of 10 person participation to be eligible.

Mandarin Middle School

School Choice Parent Night

Tuesday February 4, 2014 at 6pm

(Please park in the rear of the school and join us in the auditorium!)

Get the Scoop: Join us in the auditorium for a brief program as we welcome you to our school. You'll get the scoop on our featured programs AVID, Honors and ESE. We will provide application information for the AVID and Honor's program and highlight our unique electives.

Who should attend? Parents and students who will be in 6th grade or 7th grade during the 2014-2015 academic school year.

Meet and Greet: At 6:30 you will get an opportunity to go into the gym for our school choice fair. You'll get to meet teachers and students for every program and elective we offer. Tours of the school will be done at this time.

What should I bring? Be ready to get answers to your questions. Our clubs will set-up fundraising stations to sell goodies so bring a couple of dollars to grab a snack.
