## **Meet Tyler**

Tyler S. was honored at the Tim Tebow Foundation Celebrity Golf Classic and Gala on March 14<sup>th</sup>. Tyler was chosen by the Tim Tebow Foundation to be on the red carpet as all the celebrities arrive. He signed autographs with Tim Tebow and got to sit at the head banquet table with him. Among the guests that he will get to meet are Urban Meyer, Danny Wuerffel, Emmitt Smith, Chris Tomlin, Duck Dynasty family members, Rob Schneider, Alfonso Ribeiro and so many more. To see more of the Tebow Foundation you can visit <http://www.timtebowfoundation.org/index.php/golf/>. To learn more about Tyler and the struggles he has overcome you can visit [helpcuretyler.com](http://helpcuretyler.com). We are so proud of you Tyler!

## **Accreditation**

As promised, we are sharing more information about accreditation with you and all of our stakeholders. In January, we provided information about Standards 1 and 2 and in February, we provided information about Standards 3 and 4.

Duval County Public Schools are going through the accreditation process this year. You might be familiar with the previous SACS Accreditations. In a technological age, SACS is using AdvancED as their portal. Last year, there were surveys that you might have filled out asking questions about the school. The students and faculty were also asked to fill out surveys. All stakeholders are an integral part of the ongoing continuous improvement process. This year we are in the process of self-assessment on five standards for "quality practice and conditions that research and best practice indicate are necessary for schools to achieve quality student performance results and organizational effectiveness. The indicators are operational definitions or descriptions of exemplary practices and process. When seen together, the indicators provide a comprehensive picture of each standard."

"Each indicator provides four performance levels that describe varying degrees to which a school is able to verify its assessment of the question." We use the performance levels as an opportunity to ask the "stakeholders

## **Parking Lot Safety**

**Please observe all traffic signs and rules when driving on and around campus. Children are NEVER to be dropped off anywhere other than the designated drop off circles. Please remember that the driveway that encircles the school is a "No Cell Phone" zone and that the speed limit on campus is an extra slow 5 mph. Thanks for helping keep our children safe!**

Check out our new and improved "Links" page on the Loretto PTA website:

challenging questions and respond with accurate answers geared toward improvement of our school."

Standard 5 is on Using Results for Continuous Improvement. We believe we have achieved a level 4 because we maintain and consistently use a comprehensive assessment system that produces data from multiple assessment measures, including locally developed and standardized assessments about student learning and school performance. The system ensures consistent measurement across all classrooms. All assessments are proven reliable and bias free. The system is regularly and systematically evaluated for reliability and effectiveness in improving instruction, student learning, and the conditions that support learning. Systematic processes and procedures for collecting, analyzing, and applying learning from all data sources are documented and used consistently by professional and support staff. Data sources include comparison and trend data that provide a comprehensive and complete picture of student learning, instruction, the effectiveness of programs, and the conditions that support learning. All school personnel use data to design, implement, and evaluate continuous improvement plans to improve student learning, instruction, the effectiveness of programs, and organizational conditions.

Thank you for being a part of the success of our school and being a part of the process of continuing our accreditation. If you have any questions, please feel free to email any member of the administrative team.

Children's health insurance is now available to every school-age child in Florida who needs it. Every single one. Our price is based on your income. Here's what you need to have handy to get started:

- Income information
- Your family's most recent tax return (Form 1040) OR
- Your Wage and Earning Statement (W-2 Form) OR
- Current Pay Stubs (covering the past 4 weeks)
- If your employer offers health insurance, the amount it would cost each month to cover your child or children
- Your child's proof of citizenship or residency
- Your child's Social Security number OR
- If your child has not yet received a Social Security card, the date you applied for it, OR
- Your child's USCIS (immigrant visa) number

FCAT time is right around the corner!!!

We wanted to inform you that testing will be:

## Important Reminder for Volunteers

Volunteers, don't forget to log any hours spent volunteering at school in the volunteer log located in the main office. Keeping track of the hours spent documents our parent involvement. These hours spent represent the amount of work that could not have been completed with out you. Hours spent at home completing tasks for teachers should also be logged.

**The school can win an award for the most parent involvement. Lets win that award!**

**Volunteers help make Loretto a great school!**

**Thank You**

## Parent Survey - Exceptional Student Education

The Florida Department of Education is working with school districts to gather information on how well parents think their child's school is partnering with parents of students with disabilities, and would like to include your input. Your responses will help guide efforts to improve services and results for children and families. This survey is for parents of students with individual educational plans (IEP) receiving special education services during the 2013-14 school year. All information provided will remain confidential. You may submit one online survey for each child receiving services.

Here is the link to the survey:

## 16th Annual Café Conference for Parents of children with Disabilities

The "Sweet Sixteen" 16th Annual Family Cafe is set for June 6-8, 2014 at the [Hilton Orlando in Orlando, Florida](#). This three-day event provides a venue for people with disabilities and their families to learn about available services, connect with policy makers and network with each other. It features dozens of breakout sessions, a full Exhibit Hall, a series of Keynotes and multiple opportunities to interact with other families informally.

The "Sweet Sixteen" 16th Annual Family Café will once again include The Annual Summit on Disabilities, with three special guests. The first will be long-time Family Café supporter State **Senator Bill Galvano**, Chair of the Appropriations Subcommittee on Education. Joining him will be **Governor Rick Scott**, who will once again be on hand to hear from families and share his vision for Floridians with disabilities. Finally, The Family Café is very excited to announce that NFL legend and disability advocate **Dan Marino** will also take part in the Summit! He will discuss his advocacy through the Dan Marino Foundation and the opening of the Marino Campus for students with disabilities in Fort Lauderdale.

There is **no registration fee for individuals with disabilities** and their family members or caregivers. **Professionals are required to pay a \$100 registration fee.**

## Florida's 2013-2014 ESE Parent Survey February 1 - May 31

Parents!

We need your help to make Florida's 2013-2014  
ESE Parent Survey a record success

Each year, the Florida Department of Education (FDOE) surveys parents of children with an individual educational plan (IEP) to determine how well your child's school is partnering with you and promoting your involvement in your child's education. All states must collect this data as part of their State Performance Plan, as required under the Individuals with Disabilities Education Act (IDEA).

Make your voice heard!

- ✓ The web-based survey will open **February 1, 2014**.
- ✓ You can complete the survey online at <http://www.esesurvey.com> or request a paper survey from your child's school.

Your feedback is important in helping the state and local school systems continue improving educational programs for children with special needs. **Thank you!**

## Encuesta ESE a Padres de Familia de la Florida 2013-2014 1 de febrero - 31 de mayo

Sres. Padres!

Necesitamos la ayuda de ustedes para que la Encuesta ESE a Padres de  
Familia de la Florida 2013-2014 sea un gran éxito

Cada año, el Departamento de Educación de la Florida (FDOE) encuesta a los padres de niños con un plan educativo individualizado (IEP) a fin de determinar la relación de la escuela con usted y la promoción de su participación en la educación de su hijo(a). Todos los estados deberán recabar dichos datos como parte de su Plan Estatal de Desempeño, según exige la Ley de Educación de Personas con Discapacidades (IDEA).

¡Que se oiga su voz!

- ✓ La encuesta con base en Internet se abrirá el día 1 de febrero de 2014.
- ✓ Puede usted contestar la encuesta en línea en <http://www.esesurvey.com> o solicitar la encuesta en papel en la escuela de su hijo.

Su opinión es importante, pues ayuda a los sistemas escolares estatales y locales a seguir mejorando programas educativos para niños con necesidades especiales. ¡Gracias!
